Dear Kathy,

Thank you so very much for such a wonderful program for our Auxiliary Holiday celebration!

I received so many compliments – and one member even said she thought it was the best program she had seen since she has been a member of the Auxiliary for 13 years. So it must have been very entertaining and fun!

We always appreciate your support of our Auxiliary, and thank you for featuring us on a segment of "Touching Lives." It always helps to keep our name out in the community.

Thanks again, and Happy Holidays to you and yours!!

Fondly,

Claudia
